Dear Parents,
Greetings..

Batch wise slots for offline classes for grades I to V

“Integrity is choosing your thoughts and actions based on values rather than personal gain”

Keeping in view of children safety as well as academics in track, as a school we are also experimenting various alternatives to have safe offline classes and to fill the learning gaps.

In continuation with the above, we are revising our plan as below with effect from 13 Dec 2021.

- 1) Please be informed that from Monday 13th December 2021, we are planning to conduct classes in batch wise so that we can avoid whole class students attending offline classes on a daily basis.
- 2) Class will be divided into small Groups and only 15 – 20 Students shall be allowed to attend offline classes' every day.
- 3) Every child will get 2 days to attend offline classes in a week from Monday to Saturday, with the school timings: 9.00 am to 12.15 pm.
- 4) Monday to Friday (Every day) online classes will be scheduled from 1.30 pm to 3.00 pm. All students must attend the online classes regularly.
- 5) Content coverage will be same for all students. We shall be considering all the subjects to come in the time table for both online and offline classes
- 6) Students list with date and day for offline will be shared to you soon by the respective class teachers.
- 7) Tomorrow, (11 Dec 2021), parents are requested to join the online classes to get more information and clarity upon this new plan implementation.

I personally thank our parents and teachers for their unconditional support, understanding and cooperation in all the ways.

Stay safe and take care,

Warm regards,

Sharada NK
