MISIC (Malin's Intelligence Scale for Indian Children) Assessment

Dear Parents,

We are pleased to inform you about the MISIC Assessment, a standardized intelligence test designed for children aged **6–15 years (Grade II to Grade X)**.

MISIC helps in understanding a child's cognitive abilities and learning profile. It includes:

Verbal Skills: Information, Comprehension, Arithmetic, Similarities, Vocabulary, and Digit Span (attention & memory).

Performance Skills: Picture Completion, Block Design, Object Assembly, Coding, and Mazes (visual-spatial skills, processing speed & planning).

The assessment focuses on how a child thinks, processes information, and solves problems—not just academic performance.

Assessment Details:

- **Duration:** 2–3 hours
- **Parent Presence:** Mandatory on the day of assessment
- **Fee:** ₹3,200
- **Last Date for Payment:** 14th February 2026
- **Assessment Begins From:** 18th February 2026
- **Slot Information:** Time slots will be shared with parents **2 days prior** to the assessment date
- **Report:** Detailed psychological report within 30–45 days

The assessment will be conducted individually by a qualified professional in a child-friendly manner.

Both **father and mother are requested to attend** the report interpretation session, where findings and recommendations will be discussed one-on-one.

For registration or further details, please contact the school office.

Regards,

Team Vidyamanya
